- Unified system with instant tracking of available tickets

For the user:

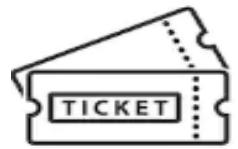

- Guaranteed purchase of a genuine ticket
- Possibility to sell a ticket safely
- Receive bonuses from the organizer

Demo

The image shows a desktop computer monitor and a smartphone side-by-side, both displaying the SevTickets mobile application. The desktop screen shows a list of three concert tickets: 'Darkspace' (20.IV / 19:00), 'GODSMACK' (1.06.19 Adrenalin Stadium), and 'SKILLET' (Adrenalin Stadium). Each ticket card includes a photo of the band, the date, time, and venue, along with buttons for 'ДЕЛЕЙКАТЬ' (Share), 'ПОМОГИТЬ' (Help), 'ОТКРЫТЬ' (Open), and 'ВЕРНУТЬ' (Return). The smartphone screen shows a detailed view of a Godsmack ticket for Anton, purchased on 01.06.2019 at 20:00, ID 578784, for 1200 rubles. It includes a photo of the band, the date, time, and venue, along with buttons for 'ОТПРАВИТЬ' (Send), 'НАЙТИ' (Find), and 'ПОКАЗАТЬ' (Show).
